Environmental

Business Review

CERTIFICATE OF RECOGNITION

Green360 Partners

This is to certify that **Green360 Partners** has been recognized by the
Editorial Board of **Environmental Business Review** as

EDITORIAL ATTESTATION:

This recognition is determined through a bona fide editorial process based on the Environmental Business Value Assessment Model and its defined methodology. It draws on independent editorial research, subscriber nominations and peer input, and highlights excellence in environmental impact, regulatory alignment, execution in complex environments and industry trust.
